Where was everyone?

Approval of Minutes ?

We do have a quorum when the 3 major board members are present, president, treasurer and secretary.

Open Discussion

- Angie will send Paton and Jilian \$100 each for the Youth Cup at Red Feathers. She will send it to them directly.
- Julia has got the Rendezvous under control. Should club pay for the barbecue at the event? Maybe wait and see how many participants. Angie will mailchimp the event and we need to keep talking it up on facebook. Angie has done that. Good job, Angie!
- Jeff suggested we focus on what is working with the club and build on that. The schooling shows and clinics seem to be the biggest draw for the club members so focus on those and put all our efforts on those events.
- Annual GetTogether in New Mexico next year. Taos Horse Get Away! Sounds great. Great facilities and rides.
- Breed Outreach Jeff emailed everyone in the local pony club and one woman responded with a positive response. So Jeff and Coralie are taking 6 or more horses and 4 riders to the Cherry Hills facility for a demo June 27th at 6 pm and maybe let some of the observers ride an Icey. Great way to reach a target audience.
- Angie and Jeff spoke at length about having a class just for the Icelandics at a Colorado show for other disciplines like hunter jumper events or Kit Carson club and Angie gave him some contact information like the Colorado Horse Park in Parker. Good luck, Jeff.
