3. An article for the Quarterly was discussed. Quarterly articles are due 10/1. Julia is going to write about the Mountain Rendezvous, Kristina will report on Coralie's clinic, Kristina is trying to find an attendee to Ulla's clinic to see if we can get a short summary and a few fun pictures. We are also doing a trail ride and may end up in a lake on our horses and will include that as well. Utah, do you have anything new? You were just in that great show, do you want to write a short something and send that great picture?
4. After their clinics and the dust has settled, Kristina will ask Ulla and Coralie to share what experiences they have had in european horse clubs to see in what way we can offer more to our members.
5. The Icelandic horse research expert woman who sounds fascinating and can't wait to hear her presentation. How do we book her for the USIHC annual meeting we host 2018? Will we need to pay for her flight/hotel/food etc? Or is she promoting a book? How will this work?
6. Next meeting is Tuesday November 1, 7 pm MST conference line.
